

## Your business needs to be on the Internet with your own custom designed website.

"For many people, the **Yellow Pages** are a **thing of the past**, thanks to the Internet. Most of the people surveyed by Fox 5 said the **phone book is obsolete and a waste of space or resources.**" From: <http://www.fox5sandiego.com/news/kswb-phone-books,0,1645025.story>. (For increases in traffic, new customers and profits call today.)
